

FOR SALE! Filey is a 1993 15.3hh New Zealand Thoroughbred Schoolmaster, currently ridden and competed by an upper level pony clubber. This mare is an experienced packer, a "Been There, Done That," kind of horse. Filey has successfully competed in eventing, combined tests, show jumping, Pony Club, and has foxhunted. She is super willing to please, and is ready to be competed this fall. Filey evented for years at Prelim (was originally imported and competed by Kim Severson), and more recently brought me up to Training level in eventing and taught me everything I know! I passed my Pony Club C-3 rating with flying colors on her, and could have gone farther if I desired. She has consistently

placed high in competitions, and has the potential to compete for many more years (don't let her age fool you -- she doesn't act a day over 10!). Brave, point and go jumper with great scope -- jumps 3'3"+ with ease. She is very well schooled on the flat as well. She is a fun, safe, sane, and versatile horse with a sweet heart, wonderful temperament and great personality. Filey would be the perfect horse for a rider who is ready to learn the "ropes" and move up. Could easily pack a junior or adult amateur around a BN, N, or T level event, the jumpers, or be a great all around Pony Club mount. This is a super horse that you don't want to miss out on! I no longer have enough time to give her the care and attention she deserves due to an intense academic schedule at school, and need to find a loving home for such a fabulous mare. Filey is healthy, sound & up to date on vaccines, shoes, worming, etc. Never been unsound, is an easy keeper, and has wonderful ground manners -- loads, clips, lunges, ties, bathes, stands for the farrier, etc. A good home

(preferably Pony Club or equivalent) is a must! More photos available upon request. \$6,500 OBO
